

Fulfill Your Pledge by Giving a Gift of Stock

Why Give Stock?

A pledge of appreciated stock is a wonderful way to support Warren Wilson Presbyterian Church and receive a favorable tax treatment. If you have appreciated stocks, it is easy to make a gift to the church. For example, a donor who gives a gift of common stock held longer than one year avoids capital gains taxation on the transfer, so the full value of the contribution goes to the church. The donor is able to take a charitable deduction using the full value of the gift and can claim up to 30 percent of adjusted gross income (AGI) in the year the gift is made with up to five years to absorb the full deduction under the AGI ceiling.

Please let Ray know of a pending stock transfer by sending an e-mail or letter describing your pledge of stock and how you plan to make the transfer. He can give you the information needed to make that happen.
